

By applying for a UK for UNHCR charity place at an event organised by a third party (an “Event”), you accept and agree to the following terms:

- The minimum age of entry is 18 years therefore you agree that you will be 18 years at minimum, at the date of the event.
- UK for UNHCR is not the organiser of the Event. Therefore, if you successfully secure a place, you will also need to sign up to, and comply with, the Event organiser’s rules and/or terms and conditions.
- You agree that you are physically and medically capable of taking part in the Event and agree to be solely responsible for your actions. UK for UNHCR are not responsible for any injury or illness that you may suffer as a result of your participation in the Event.
- If you are granted a UK for UNHCR charity place, you acknowledge that this place is non-transferable. If you attempt to transfer your place, this may result in your place being lost.
- If you successfully secure a place, you agree to raise a minimum of £500.00 (excluding Gift Aid) for UK for UNHCR and ensure that all donations received in relation to the Event are paid to us by the sixth week after the event.
