

United Kingdom for the United Nations High Commissioner for Refugees (UK for UNHCR) Appointment of Chair & Trustees

Our vision is a world where every person forced to flee can build a better future.

We are currently seeking to appoint a **Chair and up to two Trustees** to join our board at UK for UNHCR. As a member of our board, you will be a committed individual who will bring their expertise and skills to help us deliver our ambitious strategy and our mission to build solidarity and raise funds for refugees worldwide. We would like to hear from candidates from a variety of professional backgrounds but particularly welcome experience of philanthropy, business, organizational development, international diplomacy, and field work.

UNHCR, also known as the UN Refugee Agency, has the primary goal of safeguarding the rights and well-being of refugees, and displaced and stateless people. UNHCR was established in 1950, in the aftermath of the Second World War to help millions of people who had fled their homes. Today, the organisation delivers humanitarian assistance in more than 130 countries as displacement reaches a record 80 million people worldwide. By supporting host countries, seeking resettlement options in third countries and helping refugees return home voluntarily when safe to do so, UNHCR also seeks lasting solutions to their plight.

The launch of [UK for UNHCR](#) reflects the growing role of private sector fundraising and partnerships in supporting UNHCR global humanitarian operations, which are responding to unprecedented levels of displacement. UK for UNHCR is a registered charity (England & Wales).
